Expenses: 7,711.89

Ending Balance: 46,935.61

Savings: 17,298.78

Motion to accept Treasurer's Report **MSP**

Budget and Finance Report

The Budget and Finance Committee had a meeting last month. Discussion from that meeting included- The world convention is coming up. The State Association normally covers the cost of sending its board members. Which includes registration as well as hotel fees. That cost has been roughly \$15,000-\$20,000. There hasn't been a line item in the past for the world convention in the budget. Because this expense has come out of the reserve funds in our account. This year we did budget \$9,000 for the World Convention. So that should alleviate some of the cost coming directly out of our reserve.

Now I will go through each line item in the budget.

State Meetings: \$3,297.18 total has been spent out of \$11,500 in the budget.

Line items in this category include:

Hosting Donations-\$200 spent of the \$600 budgeted.

Food Expenses- \$965.17 spent out of the \$3,000 budgeted.

Travel Expenses- \$1,732.01 spent of the \$6,700 budgeted.

Transfer to Savings-\$400 transferred to savings of the \$1,200 budgeted for.

IT: \$1,100 total has been spent out of \$2,700 budgeted for in this category.

Chapter Donations (Emergency Situations): We have spent \$0 of \$11,000 allocated for this category.

Alumni: \$3,500 has been spent of the \$7,800 allocated for this category.

Which included \$3500 was spent for the alumni luncheon at world.

Officer Trainings- \$0 of the \$3,800 allocated for.

Unity Events- \$1,800 of the \$4,000 allocated for.

\$1000 for a golf tournament in Wichita. And \$800 for The Softball tournament in Wichita.

World Council: \$12,000 has been spent of \$14,000 budgeted for in this category.

This category includes-

World Council Travel- We have spent \$12,000 of the \$12,000 allocated for.

World Council Campaign- We have spent \$0 of \$2000.

4TK: We have spent \$0 of \$14,000 allocated for.

Conventions: \$50,000 spent of \$59,000 in this category.

Which includes-

State Convention- We have spent \$50,000 of the \$50,000 allocated for.

World Convention- We have spent \$0 of \$9,000 allocated for.

Out of State Donations: \$0 has been spent of \$5,000.

Emergency Situations-We have spent \$0 of \$2,500 allocated for.

Natural Disasters- We have spent \$0 of \$2,500 allocated for.

That concludes my report.

Motion to accept Budget and Finance

I.T. Report

www.oxfordhousekansas.org updates for March & April 2024 include:

The website hasn't needed too many updates. As always the State Association Meeting Minutes were unloaded for your review along with information regarding today's meeting on the website. In March OHI released the some updated & revised forms, which included the Membership Application, Audit Form, Coordinator Report, EES Ledger for House & Member, Meeting Agenda, Meeting Minutes, New Member Packets & Treasurers Report. All have been posted to the Forms section under House Operations, both at the top but also in their corresponding locations and all of the old forms were removed. I've continued to update the re-entry page with current re-entry houses, whether they get added or removed.

Erica with FORA sent out a revised Phone List in April, so this has been uploaded to our ever growing state. I know it is already outdated, so once the next revision comes out, we will get it updated. Keep in mind if your phone number needs corrected, please reach out of the FORA office as I do not have the ability to correct phone numbers.

Updates to the Kansas Oxford House State Association 2024 Leadership Contact Information page, adding new Officers & Chapter Chairs along with their email address. If your Chapter contact information is inaccurate, please get with me and we will get it corrected and I'm still missing a few email addresses.

The statistical data to report is that during this reporting period of March & April of 2024, the website received 6,156 views, which is up 1,423 views from the two months previous. When compared to this same reporting period in 2023, our views were more than double, by 3,124 views, showcasing that the traffic to the site is significantly growing and that the site continues to be a resource to our community. Please let me know how I can better serve the association and continue to grow our site. Thank you for allowing me to serve.

Motion to accept I.T. Report **MSP**

Alumni East

James from chapter 12 states the Golf Ball tournament was a success. Flyer for float trip posted in state chat. Dates are July 19th-21st. Camping is \$70/per person, Cabin 10 rooms available \$330/ per room includes 2 floats. Contact Dawn for more information. Alumni conference is 2-14-2025 in Wichita

Motion to accept Alumni East Report **MSP**

Alumni West

Chris James:

ICT Area Awards banquet was held April 6th in Wichita. We had a great turnout of approximately 160 including chapter 11 and 13 in addition to our local chapters. Eddie Randall of KSN was presented with the Community Support Award for his work on Recovery Week showcasing Oxford House along with Julia Thatcher.

We have several outstanding fundraisers coming up! 2nd Annual Survivor Games May 27th, Golf tournament June 8th, Softball Tournament June 22nd. We have raffle tickets available for a chance to

Win a 2024 Ford Bronco! Tickets are \$10/ea and must be in by December 6th. All proceeds go to K.O.H.S.A. We also have Grand Raffle tickets, benefiting the first ever National Oxford House Alumni Conference. Tickets are \$5/ea for a chance to win \$600 cash and several other great prizes!

May 8th, John Rupp, another alumnus, and I attended the chapter 16 meeting. Its always great to have a chance to build relationships with members and alumni in Great Bend.

Chris Chastain:

Chapter 6 had a fundraiser, went well. BBQ coming up. KOHSA softball tournament on June 22nd. I visited Topeka chapter meetings.

Possibly asking chapters and houses to donate raffle items or money to alumni conference.

All checks payable to KOHSA

Motion to accept Alumni west Report **MSP**

Re-Entry Report

For March we accepted 36 out of 72 applicants with a 50% rate and for April we accepted 31 out of 58 applicants with a 53% rate for a total of 67 out of 130 with a combined percentage of 52%. Our current balance in checking is \$2394.26 and we have \$1759.65 in savings. We have funded a total of 81 re entries for a total of \$12,650.00. We have bracelets for \$2 each for our fundraiser. We currently have 114 houses that support reentry.

Motion to accept Re-Entry Report **MSP**

World Council Report

April 21st through the 26th we held our World Council Summit in Arkansas. Bringing other members of the Oxford House World Council from across the country together to offer suggestions, discover solutions and brainstorming ideas to help in continuing the important work we are all involved in.

Many of you saw the new World Council Resolution Handout with the resolutions found in the World Council Manual updated and gone through for relevance and cleaning up the ones that have been superceded by updated resolutions. We also cleaned up the committees of the World Council all of you are invited to partake in. Those of you that attended the town hall style meeting on zoom and actually joined us at the Summit are aware of these changes. But for those of you that weren't able to join us we got rid of the standards, development, convention, and propagation committees. We then proceeded to combine the chapters and associations Committees into one, we kept the charter and alumni committee, then added engagement, networking, and the technology and environmental committees. Please join the World Council Facebook page for meeting times and further updates.

I'm honored to serve along with such an amazing team of dedicated people. Currently there are 3,812 Oxford Houses worldwide providing 31,545 beds for people seeking options to begin or continue their path of recovery which was updated at our most recent OHI Board of directors meeting held on Friday April 26th.

We plan on continuing to do our part as representatives of Kansas on the Oxford House World Council traveling to MULTIPLE state conventions and workshops. Kansas is always there showing the rest of the network what we do and how we do it. I am honored to serve Kansas, the council and our communities. We have some exciting things in the works! Together we press onward!!! Thank you for allowing me to serve.

MSP

F.O.R.A. Report

Reminder, monthly house reports are due at the end of the month. This is important for FORA to get these statistics; it helps us help you!

Medications in houses are extremely important. Each household should ensure that every Members who require narcotics or MAR medication has their own lock box to store it. The key to the lock box should be held solely by the individual for whom the medication is prescribed. During medication checks, two other household members should be present along with the prescribed individual. Only the prescribed individual should handle their own medication. It is recommended to conduct random medication checks a few times a week or even more frequently, and to vary the days on which these checks occur.

Every year Oxford House, Inc. conducts an evaluation of key states that contain multiple Oxford Houses. This year Kansas has been selected! Please have each house members follow the link and complete the survey. The information is 100% confidential and anonymous. Filling out the questions takes less than 5 minutes and can be done by everyone at your next house meeting. The survey is completed online by following the link and simply choose your house at the beginning and answer the questions. You do not need to be logged into your house email account to complete; the survey can be done from your computer or personal cell phone. The survey must be completed by all residents as soon as possible. But do NOT share through Facebook messenger! This survey is important for several reasons: (1) It helps Oxford House, Inc. and Friends of Recovery Association (FORA) understand how to serve your area better, (2) It shows the local government how successful we are in changing lives, and (3) It shows the public that recovery works. The data collected is compiled and analyzed to provide state-wide statistics that prove our success regardless of any differences we have as members before finding recovery. Oxford House, Inc. and FORA will take this 'snap shot' of membership and turn it into a multi-page evaluation that can be distributed to the public. Your Participation in this project is very important. It can help us open more houses in the future so people seeking recovery in a safe, supportive, and structured living environment can have the same opportunity to move into Oxford House that you had when you were ready.

FORA is actively pursuing conditional charters for over 30 houses with OHI. Once all necessary paperwork is completed, FORA or your nearest outreach coordinator will contact the houses to facilitate the submission of permanent charter paperwork to OHI. Kansas has historically faced challenges in providing documentation to OHI and updating their database. This situation is now undergoing significant improvement! FORA is excited to announce we will be opening a resource center very soon. Although this is going to be based in Overland Park it will indeed benefit the entire state and will and everyone across the state will get to utilize it. More coming soon!

Motion to accept Fora Report

MSP

Housing Services East

Welcome newcomers!! Visited chapters 9&10

Adding chapter 23. When you have a newcomer come in, you can make or break their recovery. Please make them feel welcome. Members with experience should be Housing services instead of new members. Everyone should be trained on Narcan in the house. Spring Bling is June 1st in Topeka.

Motion to accept Housing Services East Report

MSP

Housing Services West

Today I want to talk about Chapters' presence in a house and what is expected, along with what is not expected from chapter. When there is a problem in a house and chapter is called into help, the chapter is there to provide suggestions and examples to give the house the information to base their decision. What the house decides to do is their decision. As long as a house isn't breaking the charter, chapter has no authority over a house's decisions.

On that note it is not chapter responsibility to govern your house...examples if your house isn't voting the way someone likes or agrees with it is not chapter responsibility to do something about it. All you can do is offer advice and suggestions. Give the house examples of what could or has happened given the situation. Chapter is there to support a house help them figure out issues but never to make decisions for a house.

Chapter should never DBOE, govern, police, (for lack of a better term) a house into voting a certain way. This takes away the purpose of being ran democratically. This also creates a fear of chapter. We never want members to fear chapter...we want to build a strong relationship based on trust. I honestly believe we could prevent alot of restructures this way. I believe we can prevent restructures by building a strong bond between chapter and our house members by eliminating the fear of chapter and making sure members feel comfortable seeking advice from chapter without fear of reprisal.

Number of vacancies 7

Number of relapses March 7, April 7

Chapter dues to State paid; Yes X No

Total amount of contribution paid to Oxford House Inc \$ \$200

Comments:

(How is your Chapter doing? AA-NA meeting attendance, conflicts, social events, etc....) Chapter 2 is united. Leadership continues to have strong bonds with houses and other chapters.

We plan to open a 12 person men's house in July, making this our 3rd house this year. There is continued effort and planning for our annual unity Spring Bling Recovery Festival event, June 1st, members from all chapters have been meeting weekly in preparation, we hope you can join us in unity and fellowship. Unfortunately, our community suffered a tragic loss of a long standing member, to his battle with addiction. Oxford has been very supportive to his house and family. Addiction knows no season, with warm weather coming, we tend to see a spike in relapses. Lets remember to check on our housemates on a regular basis. Let us be non-judgmental and a safe space for members and our community. If you are struggling, please reach out. We are all in this together.

Number of vacancies: 8 (2M, 6W)

Number of relapses: 10 (5 Mar, 5 Apr)

Chapter dues to State paid; Yes

Total amount of contribution paid to Oxford House Inc \$1,450

Comments:

Busy with World Convention fundraising. One house was incorrectly applying the 80%-vote rule--has been addressed. One house reports a senior member becoming stuck in their ways and bullying new members. This is being addressed this weekend. One house has voted to drop their 12-step meeting attendance requirement, citing Tradition 4. So far this has not caused problems, but it's only been two weeks. We eagerly anticipate the State Convention in Wichita this November.

Total amount of contribution paid to Oxford House Inc \$ 200

Comments:

We had 2 restructures. One was the Kennedy House. The other was Merriam House. Report on both at the state meeting. . We have continued involvement in AA and NA.

The houses in our area have no shortage of interviews. The men's houses especially are full and stay full. Our chapter will be discussing opening more houses and possibly end up splitting our chapter eventually in effort to Expand To Meet The Needs.

We have continued to be involved in presentations throughout our community. Including Mirror in shawnee. As well as local coalitions and other community groups..

We had Chapter officers help lead the Officer training In KC. As well as many chapter members who attended as well.

Chapter 6 is in the process of growing back out to Liberal, KS, with the support from the city. We're also having a BBQ at Wright Park on the 18th of May. Boothill Oxford House completed their Chapter Behavioral Contract on the 25th of March and took necessary actions to keep from breaking contract. Overall Chapter 6 is learning and growing as individuals and as a community.

We had two restructures this last ^{couple} month - Kita & Infinity. Kita had a lot of bullying going on & cliques within the house, so ~~chapter~~ ^{from} so we decided to restructure b/c it was 3 out of the 5 girls. We had Alumni & H.S. co-chair going over there every Sunday. Infinity H.S. went over to do a house NA & 3 girls failed, then H.S. found out they had a girl OD. in Jan & they covered it up. Everyone but 2 girls left before the ~~re's~~ ER chapter meeting, so we restructured →

Title Chapter 7 chair

& kept those 2 girls, and I also moved in for a month to help replicate. They're filled up, & it's also looking better for them.

We added a new house to our chapter, Gratitude Manor, so far they have been great. We did have one house not show up to one of the ER chapter meetings (BASS) & we did talk to them ab how important it was for them to be there @ both H.S. & chapter

Reporting Months: March & April 2024

Report Date: May 11th, 2024

Chapter 8 has 8 Oxford Houses, with a total of 68 Chartered Beds

Checking Account: \$5965.21

Savings Account: \$3387.34

16 Vacancies

Yes, Chapter Dues were paid to State

\$0.00 contributed to Oxford House Inc. currently, however we're going to start automatic deductions of \$85.00 per month.

So with regards to the OHI Chapter Challenge, we only had two houses, Oxford House Friedberg & Oxford House Tree, at this time motion and approve to do monthly donations to OHI of \$50.00. We will continue to encourage and challenge houses to get on board.

Oxford House Friedberg, our Men with Children's house has submitted off for our Permanent Charter. We reported last meeting that we were going to talk to our landlord about additions or modifications to this house to accommodate this house within guidelines for a with children house, but he is not willing to do anything to the property it at this time. So we're in the process of looking for another Men with Children's House. Oxford House Friedberg is also busy working on their Survivor Games fundraiser, which is on Memorial Day at the 101 Club just outside Wichita to send members to World.

Oxford House Lakestone continues to struggle with the concept of discrimination of MAT / MAR. We've addressed it multiple times at Chapter and Housing Services. We're going to be going to their next house meeting to discuss and hopefully educate the importance of inclusivity and what discrimination is and isn't. We're also looking at bringing in people willing to educate at a Chapter Meeting on MAT / MAR in Oxford House.

Oxford House Tree is busy working on their World Fundraiser, the 16th Annual Swing into Recovery, which is June 8th at the MacDonald Golf Course in Wichita as well as planning a BBQ Unity Event on May 18th after our Chapter Meeting.

Chapter 8 continues to do better financially as well through Unity. Our chapter meetings are going much smoother with less debates and tension. We also review our integrity clause each meeting to ensure all officers are in compliance. We had one officer step down because he was breaking his integrity clause and wasn't forthcoming about it initially. We're growing and replicating as a Chapter and trying to set the example.

Total amount paid to OHI- \$200

Chapter Secretary book was not returned from the previous chapter member FORA is trying to help us retrieve the chapter book at this moment.

Loss of village house to chapter 21 making our beds go from 64 to 56 that changes our bed dues to \$560, and making Alden house our only female house in this chapter.

Cloverleaf was put on Chapter contract for 60 days beginning on April 10th 2024 for 1) not following Oxford house model. 2) not following house rules and procedures.

In order to best facilitate the houses recovery chapter will remain in cloverleafs house meetings giving suggestions and replicating the oxford model to its members until Junes chapter meeting where the chapter 10 houses can discuss as a whole to let them off contract.

Previous chapter officers were removed from their officer positions for skewing democratic process, one member retained her seat for reaching out to state and taking corrective actions to the best of her ability.

Chapter 10 unity event is coming up on May 25th from 10:30am-2pm “missing you balloon release” located at FORA office in Overland Park, KS there will be food, raffle prizes, guest speaker, and a performance.

Our chapter is starting to become more involved with each other and we are working as a team to get our houses stronger in this chapter.

Our Chapter has had some difficulties ~~at~~ the last 2 months, we have been trying to get back to the manual. (As with anything over time things get watered down) And as addicts change is always difficult and met with resistance, but I believe our Chapter is making progress. We also have been discussing splitting the chapter, yet another change, but I believe the idea is beginning to gain traction. Also with the warm weather we have had an increase in relapses. Overall I believe our chapter is headed in a positive direction

I

Chapter 15 has been through a lot of changes lately. We restructured one of our women's houses for the 2nd time in three months. This time, only one of the members was accepted back in. Myself, and another seasoned member did a lateral move to help rebuild the house and make it healthy again. We accepted two new men's houses in our chapter. We are really excited to expand and build unity. Our next housing services meeting we will be discussing fundraising ideas, so we can send members to world this year.

Comments: Let us start off by saying that we apologize for being unable to attend, due to conflicting work schedules or lack of transportation, and thank you for allowing someone to step in on our behalf! We are adapting to being a smaller chapter, but that has brought us closer together. We recently had a chapter unity at the bowling alley for our housing services meeting last month and had a great turn out! We are currently working on ideas for a fundraising event to raise money for our chapter!

Our Chapter is Doing well. We motioned as a Chapter
To utilize The electronic Donation To OHL, That will Start this
month, hopefully. Salvation Creek is up & Running. Theyre
Still needing lots of Replication & Seasoned members. There
is discussion of converting a mens House To a mens
W/ children But its not 100% yet. Timber Creek, as a
House is struggling. They are needing members & on
the verge of not Being financially self supporting.
They motioned To Run emergency meetings. Chapter
has Been To their house multiple times.

Comments- On April 1st we opened Oxford House Kaylani. Kaylani is a women with childrens. This is a very good thing for our community. There has been a strong need for women with children houses in topeka for a while. We hope topeka is able to open another one or two with childrens houses this year to fill the need. We have been helping plan the spring bling recovery festival set for June 1st. Its always good to collaborate with other chapters and bring our oxford community closer together with these unity events.

Other than that it's been a quite few months. No real housing service calls to speak of. We are excited for spring bling and to learn more info about world this year. And we are also excited to for the softball tournament, hopefully we can be back to back champions!

Chapter 20 is doing well. All houses and chapter got on board with the OHI donation challenge. Amaryllis West will be doing a lateral move on June 1st. We are still trying to come up with ideas and ways to be more active in our community and focus on giving back to our community.

This month at chapter we will be discussing on adding Oxford House Kratos back into Chapter. The biggest thing we need to improve on is finding willingness in our chapter. Recovery meeting attendance is strong in Chapter 20.
