## Motion to accept Treasurer Report: MSP

First off, I would like to welcome all of our new leadership from across the state. My name is Buster Pulley. This report includes our spending vs. what was budgeted for 2024.

First category up, State Meetings: \$10,732.25 total has been spent out of \$11,500 in the budget. Line items in this category include: Hosting Donations-\$500 spent of the \$600 budgeted for. Which includes \$100 spent last meeting.

Food Expenses- \$1,965.17 spent out of the \$3,000 budgeted.

Travel Expenses- \$7,067.08 spent of the \$6,700 budgeted for. Which includes \$648 in reimbursements last meeting.

Transfer to Savings-\$1,200 transferred to savings of the \$1,200 budgeted for. Which includes \$200 transferred from checking to savings at the last meeting.

IT: \$3,039 total has been spent out of \$2,700 budgeted for in this category. \$739 was paid out for IT last meeting. Which included \$400 for IT and \$339 for Word Press for 2 years. We ended up over budget in this category because 2023 \$300 for Word Press was turned in at the January 2024 meeting. Which is fine because our budget for 2025 won't have this fee to account for.

Chapter Donations (Emergency Situations): We have spent \$11,000 of \$11,000 allocated for this category.

Alumni: \$7,300 has been spent of the \$7,800 allocated for this category.

World Council: \$14,000 has been spent of \$14,000 budgeted for in this category.

4TK: We have spent \$14,000 of \$14,000 allocated for. This \$14,000 was paid out to each area last meeting.

Conventions: \$59,000 spent of \$59,000 in this category. Which includes- State Convention- We have spent \$50,000 of the \$50,000 allocated for.

World Convention- We have spent \$\$9,000 of \$9,000 allocated for.

Out of State Donations: \$5,000 has been spent of \$5,000 budgeted for.

The 2 Line items in this category include- Emergency Situations-We have spent \$2,500 of \$2,500 allocated for. Natural Disasters- We have spent \$2,500 of \$2,500 allocated for.

We spent \$124,071.25 of the \$125,000 in categories budgeted for the year. However, we also had some expenses that were pulled from the reserve funds that took our spending over what we actually brought in for the year. Those expenses totaled \$18,900. So essentially, we went \$18,000 over budget for the year. We did take in some fines that were paid and bed dues were raised in September which off set the actual amount we went over slightly.

The Budget and Finance committee will be meeting to finalize this year's budget proposal next month. As mandated in our by-laws, we will be presenting this year's budget proposal at our next State meeting in March.

That concludes my report.

Motion to accept Budget and Finance MSP

## **I.T. Report – January 2025:**

[www.oxfordhousekansas.org](http://www.oxfordhousekansas.org) updates for November & December 2024 include:

The State Association Meeting Minutes were formatted and unloaded for your review along with information regarding today's meeting on the website.

Most of the 2025 KOHSA Leadership have been added to the website along with their email addresses. Messages have been sent out to a few individuals for email addresses. I will need to get names & email addresses for all of the new Chapter Chairs to add to the state website. I've added the Facebook pages for ICT Area Oxford House Alumni Association, Chapter 23 & 25 to the site. If any other Chapters have recently created a page, let me know and I'll get you added too.

The statistical data regarding webpage views and visitors continues to show significant increases during this reporting period of November & December of 2024. The website received 8,295 views, which is up 1,231 views from the two months previous. When compared to this same reporting period in 2023, our views more than doubled and were up by 4,479 views. Comparing year over year, in 2023 we had 23,381 views, however in 2024 we had 38,343 views, which is 14,962 views over 2023. Our website traffic continues to be increasing, indicating that our website continues to be a resource.

Thank you for allowing me to serve & please reach out if you think of something else you would like to see on the site.

## **Alumni East**

Not too much to report from the Pittsburg area of alumni east. Chapter 12 had a long standing member leave on good standing, he went to be with family and was in poor health he passed soon after. Our association made a donation to his family for funeral expenses. We held an ice cream social to gain attendance at our manual study preceding the monthly housing services meeting in November 2024 and have been assisting houses in replication when requested. During chapter 12s Dec meeting our alumni association presented various awards to members. We have 2 members attending the alumni conference

In grateful service,

Krissy S

## **Alumni West Report**

### **Seth**

The Southwest Oxford Alumni Committee is actively supporting Oxford Houses in Chapter 6 by collaborating with the fundraiser committee to assist in the planning and execution of the annual chili feed. This event is a crucial fundraiser, aimed at generating funds to support the operations and activities of the Oxford Houses in the region.

In addition to providing logistical and organizational support for the chili feed, the Alumni Committee is also enhancing the event's impact by hosting a chapter officer training session. This training is designed to equip current and incoming chapter officers with the necessary skills and knowledge to effectively manage their roles, ensuring the continued success and growth of the Oxford Houses in Chapter 6.

Through these initiatives, the Southwest Oxford Alumni Committee is demonstrating a strong commitment to fostering a supportive community, enhancing leadership within the organization, and ensuring the sustainability of Oxford Houses in the area.

### **Chris**

The ICT Area Alumni Association met Jan. 4, 2025. We had elections, and Corey McKinney is the new Chair and TJ Shulz is Co Chair.

We are creating binders for every house in the area for education on all house positions. Shout out to Amy Herrmann for heading up that operation.

The first EVER National Oxford House Alumni Conference is being held in just over a month, Feb 14-16 in Wichita. It is intended for all Alumni and current members from around the U.S. and we encourage both to register. Registration is \$125 if by check, \$130 if using Square. You can register at NOHA.org. There are plenty of rooms available still, and if you would like to get one, you must go through the registration link to get our block. Registration ends January 24th.

In closing, I would like to express my gratitude to the State Association for allowing me these 2 years of service. It has truly been a privilege! God Bless you all, I'll see you around!

### **Nick H.**

The only thing I have to report is that Ch. 13 alumni had a community awards banquet that went well. Chapter 22 has grown a lot in the past few months and helped each other when times were trying.

Motion to accept Alumni West Report MSP

### **Re-entry Report**

We accepted 22/53 applications for November for a 42% rate and accepted 28/70 for December for a 40% acceptance rate, for a total of 50/123 for a combined acceptance rate of 41%. Our checking account balance is \$4681.30 and our Savings balance is \$10.34. We have funded a total of 141 reentry for a total of \$21,025.00. Our current fundraiser is, "In the works", and will be discussed at our monthly meeting. Our committee meeting is currently the first Saturday of each month via messenger video chat @ 8 am

## World Council Report

The work has been kind of slow for the world council, but Huggie says he expects it to pick up leading up to the summit. Committees are still meeting but it has been a slow start for everyone except for maybe the alumni committee which has some established followers and seasoned leadership. The Chapters and Associations committee has met a few times with a great turnout from Kansas, not so much from everywhere else. The chair, Carl Guak, and I have the idea of coming up with a set of best practices for starting and splitting chapters. Carl is very busy in Florida attending meetings from recent splits to see how they do things. We had hoped for participation from around the country to get ideas of what the membership of Oxford would like to see this committee focus on. Attempts to get the word out through Facebook pages has not produced the attendance we hoped. At the recent World Council business meeting it was suggested that one of our projects could be to make a database that includes every state chair. This would help us communicate with every area on a more direct level.

Unfortunately, there has been an unusually high turnover rate among the council. All alternates have stepped up into full voting spots. However, we still do not have a full council this year. Multiple committees have only the chair to run them and no co-chair for support. The council decided to bring in Marcus Pitts as parliamentarian as a non-voting advisory spot. His experience will definitely be a big help to this year's council.

If any chapter has any suggestions or request or needs any training material or resources, please reach out. The Chapters and Associations committee meets the 4<sup>th</sup> Thursday of every month at 7pm.

Kansas!

What an honor it is to be asked to serve one more year on the council as parliamentarian. Kansas will continue to have 2 members on the council as we should! I am so grateful for Seth and all he has done for us as a council and as a state and I am humbled to be able to fill in his place to keep the traction the council has gotten over the recent years. I am looking forward to traveling the Country with Robert representing Kansas in the best way possible. You all are so amazing it is easy to want to continue to advocate and gain knowledge for our amazing state! Thanks for your continued support and backing and let's make sure we find an alumni to run for the council this year to keep the tradition of 2 Kansas members alive and well!

In loving service,

Marcus Pitts

- With Seth stepping down, Kansas is eligible for an Alumni spot. We will be nominating a elect at the March state meeting.

Motion to accept World Council Report MSP

## **FORA Report**

Biggest Struggle: Leases have changed at a OHI level. From the time we have a signed lease, it can take up to 45 days before a temporary charter is granted. We are all learning , please be patient with us. If you are renewing a lease, not chapter officers can sign it, it must be sent to the Fora office to be looked over, so it isn't rejected by OHI.

For a is asking every house to donate \$40 per month to put in a fund to help new members with move-in fees. Houses will be recognized for their support.

Motion to accept FORA Report MSP

## **Housing Services East Report**

Reminder about 1st tradition. If you're listed on our website please answer phone. Or get someone that will! Last 2 months have been rather quiet. Thanks for allowing me to serve you the last year . 2 incoming housing service are very respectable . Matt and DJ. Remember Kansas oxford is a special group . Keep it going . Congrats to all new leadership

Utilize Revolving fund from the state, if For a doesn't come up with funding for new houses, we will have to figure out something as a state to fund the opening of new houses.

Our manual states if a house has money in reserve, we should loan money to new houses opening, we should be doing so!

We are doing great! We had a chapter secret Santa that was really fun. Santa Fe is doing really well since the restructure. They are back up to 6 strong members. We had to reschedule our chapter meeting. It's this monday the 15<sup>th</sup>. We're having elections. So everything is going pretty good.

Contribution to OHI: \$200

Chapter 2 is thriving! We have collaborated with chapter 19 to form chapter 26, with each chapter sending 4 houses. Topeka now has 5 chapters, we are growing. The state convention was amazing, thank you to everyone who planned such a amazing event! We restructured one of Women's Houses, Ivy Rose, in November. It was a hard decision, but the best solution, considering. Ivy Rose is making wonderful progress. Leadership maintains a very strong support for our chapter, we visit houses on a regular basis to replicate traditions and principles of Oxford House. 2024 was our very first experience doing 4TK, it was very successful. We were able to help parents with 100 kids. We look forward to funding next year. We are looking forward to the Chapter officer training in Topeka on January 21<sup>st</sup>, hope to see everyone there.

### Comments:

Overall, Chapter 3 is strong. At one point we only had a single vacancy in the whole chapter. One house

expanded by 1 room, so we now have 106 total beds. Plus, a house recently left another chapter and

applying to join ours. This would put us at 13 houses, so we're right up against the limit of max chapter

houses (14, according to the Chapter Manual).

We restructured two houses in October. Both are full and unity is improving, but accountability is lacking.

One of the houses misunderstood the EES rules and is dangerously close to violating charter, with seven

of eight members carrying a negative EES balance for multiple consecutive weeks. We are replicating fiercely.

We were proud to contribute to the Wichita area raising and paying out a total of \$13,040 to the 4TK program.

We held elections last week and Antoine Alexander is our new Chapter Chair.

We had some members come back from the state convention on fire!

Chapter 4 continues to show up Strong. We run out of chairs at Chapter meetings. I'm talking about 40 members consistently at both Chapter and Housing Services meetings which are rotated at our houses

We Just had Elections. So we have some new leadership excited to serve!

Continued involvement in Presentations at Mirror in Shawnee. As well as deep involvement in the recovery community at large.

We began a restructure at Vermillion house December 9th. 2 members from other houses within our chapter stepped up and moved in as Seasoned members to help the restructure along. The house is already full, and replication is moving right along.

Chapter 6 is having our 6th Annual Chilli Feed on February 22 at the National Guard Armoury. Our two newest houses, MidWest and Blue Bell, are starting off strong and are becoming great additions to our chapter. Unfortunately we have had to restructure OI West for breaking charter for usage inside the house. We have had some willingness from other members to move into the house to help sustain and replicate to reinterviewed members. Overall, Chapter 6 is growing and learning.

### **Kansas State Oxford Houses Chapter Report Summary**

**Reporting Months: November & December 2024**

**Report Date: January 2024**

**Chapter 8 has 8 Oxford Houses, with a total of 71 Chartered Beds**

**Checking Account: \$4,812.28**

**Savings Account: \$4,438.47**

**Vacancies – 14**

**Relapses – 5**

**Yes, Chapter Dues were paid to State**

**\$0.00 contributed to Oxford House Inc**

We have talked about and approved new chapter by-laws.

4TK was a big success this year, we managed to raise 13,040.00 which helped support 146 kids. Most of the houses in our chapter participated in unity nights for 4tk.

The chapter is sending 4 of its members to the alumni conference.

We have now motioned to open the 2<sup>nd</sup> men's with children house in Wichita. We are in talks with investors.

There is a potential that we might have to relocate Oxford House Robin, one of our female houses, due to issues with the landlord not wanting to allow a service animal in this house.

We had chapter elections in December.

Oxford House Tree and Leo have converted their re-entry beds into chartered beds increasing our chartered beds by 3 beds.

Oxford House Park Place, one of our womens houses, have been put on a behavior contract. They were struggling financially and were in need of a lot of replication and chapter is stepping in to help replicate positions and help them get back on their feet.

Chapter 11 is excited to see what this year brings with upcoming leadership. Our fundraiser committee started our year off w/ a awesome new years Unity event, and our Alumni Awards banquet will be held tonight. With that being said our new house is about to open up in Manhattan KS Nicodemus Oxford House. We're also working towards another Chapter split will be Manhattan & Junction City. Manhattan Community is showing lots of support for Oxford. We're excited to see the great change we will bring to the recovery community in Manhattan, KS

Chapter 12 is undergoing some exciting changes. We recently transitioned one of our women's houses into a men's house, and it's been a great success so far. Additionally, our elections are just a week away. Over the past year, we've experienced significant growth, and we're looking forward to expanding even further in the year ahead.

Chapter 13 is excited for the new leadership in 2025. We would like to think association for the stabilization loan for Oxford House Tomahawk. I am happy to report the house only has one opening. A few core members moved over to help with replication and the house is coming back to life. We are in talks of a chapter split, sooner rather than later. We are looking to open a new men's house soon, it is needed. Proud to be of service to Oxford House. Love ya'll

Chapter 14 in the months of November and December spent time breaking bread together at our hsc meetings and handling business at our chapter meetings. We have been apart of planning a chapter officer training coming up January 25th with the other chapters in Topeka. We hope you all join us for that. 4tk was a wonderful experience for our members with children and over all we have a fantastic group of houses with hopes to grow by one or two in the next 6 months or so. We have elections coming up this month and we are so excited for the growth within our area and our state. Community partnerships are very healthy and overall chapter 14 has nothing to complain about. We

are grateful

Chapter 15 is doing well, right now. We started 2024 with 6 houses and ended the year with a total of 10 houses. The most recent addition being Metcalf house.

Metcalf asked to attend our chapter meeting in November, after which they requested an interview with our chapter. They came to our housing services meeting in December and discussed their desire to join our chapter and their reasons for seeking a new chapter. At our chapter meeting on December 16, they received the votes needed to join and became our 10<sup>th</sup> house. Chapter has been very welcoming towards all new houses over the last year, and the houses have all been actively participating in the chapter. On Jan 7, 2025, Chapter held an emergency meeting at Stewart House to discuss the many on-going issues within the house. This was the second emergency meeting Chapter has held with them, in the last 3 months, and a vote to restructure the house was passed. Interviews were held immediately after that, with 4/7 guys being voted back into the house. Chapter felt strongly, with unanimous votes, that the problem-causing individuals had clearly been identified during the interview process. Stewart House & Chapter are both feeling very optimistic about things going forward from this. We believe the house can get back on track fairly quickly. We are starting the new year with 10 houses that all get along and enjoy being in the same chapter together. We will be holding Chapter elections on January 20 and will update state on who our new officers are. We have already voted to hold 2 big unity events this year, including one for the holiday season, next winter. All in all, we are looking forward to seeing what this chapter can do together in the coming year.

Chapter 18 is doing pretty alright. We had one house leave Chapter 18 due to personalities over principles. So we are down on beds but definitely upon participation & leadership, with no men openings in chapter 18 and we motioned to open another men's house. Meeting attendance is good, exciting times for 18

We have been busy over the past two months. Our chapter recently split, sending 4 houses: Abba, Proverbs, Domas Partas and Bellator into Chapter 26, Which we assisted Chapter 2 with the elections of the new Chapter 26.

On December 1st, we restructured Oxford House Willow park, There were reports the house was breaking the democratic process. An emergency Chapter meeting was called and it was voted to restructure, All but 1 member was voted back in, All members were fairly new to recovery so it was voted to have a core member move into the house to assist the house in getting reestablished Chapter officer along with housing services has sat in on all meetings since the restructure and are still currently doing so. Along with the restructure the house finances were struggling so it was motioned to give the house a loan in the amount of 1200.00 which the house is to pay back 100.00 monthly until paid back. The house is currently thriving.

We also opened up Oxford house Nova Initia on December 15th. At first they were struggled with getting there checkbook figured out but have now got it done and are doing good

So it's been busy, first off we had some great holidays one of our houses were able to host both a Thanksgiving and Christmas Dinner for those within our chapter that didn't have a place to go.

We did send about 15 members to the state convention in Nov and had a great time.

Oxford House Midnight did open on Dec 1 and is doing well.

We did have a house who was starting to have finical trouble we as a chapter loaned some money and they have been able to rebound and things are things are improving.

We did recently have a house violate the third charter condition, Chapter voted for a restructure and also one of our chapter members was able to move in and help with replication within the house.

We also voted to open another men's house and will be looking to get that process started soon.

We look forward to hosting the state meeting in March and can't wait.

We do have a fundraiser set up in Feb 2025 which will be a weightlifting competition, we were able to team up with one of our local gyms and put this on. Come flex out with us.

Recovery in our area is strong!!

How is your chapter doing?

Our Chapter is doing good, house members are getting more involved. Fundraising for the months had a good turn-out: lots of encouraging help and support within chapters and events. State was a good experience for all: lots of members of chapter 23 was able to attend. A new men's house (Equinox) opened and working on future opening's. Houses pitched in donations for opening of new house. Each house works together to provide food for meetings and there is great unity. Lots of participation and willingness to implicate. The parade went well and lots of Oxford house members from multiple houses showed up and showed out. Beds are filling up and everyone is working together to help each other thru the holidays.

Chapter 24 is new to the Salina area. We split off of chapter 11. The recovery community ~~network~~ is strong and we maintain a strong brotherhood as well. We opened a new female house our first month as a new chapter & are in the process of opening a new mens house. With a 3rd house in our vision we are striving to build the Oxford family with new houses our chapter leaders are learning everyday and replicating to keep our houses strong <sup>while</sup> ~~and~~ maintaining our traditions. Guidelines we also have a unity event for 11/24 coming up next week to maintain our unity and communication between chapters and our alumni awards banquet this afternoon.

Chapter 25 is moving in strength and is forecasted to continue doing so. All houses are equipped with responsible members. We are set to obtain a new WC house this month, hopefully opening shortly thereafter. Thanksgiving and Christmas were spent in unity, thanks to house collaboration. 12 step attendance is strong. Fundraising committee is formed and active.
