Budget and Finance Report

State Meetings- We have spent a total of \$12,234.28 of \$16,300 Budgeted

Line items in this category include

Hosting Donations-\$500 spent of the \$600 allocated for the year. Which includes \$100 donated to Chapter 24 at the last meeting in Salina.

Food Expenses- \$3,500 spent of \$4,500 allocated for the year. Which includes \$750 allocated to Chapter 24 at the last meeting.

Travel Expenses-\$7,234.28 spent of \$10,000 allocated for the year. Which includes \$729.26 from the last meeting.

Transfer to Savings-\$1,000 transferred to savings of the \$1,200 allocated for the year. Which includes \$200 from the last meeting.

IT: We have spent \$2,000 total of \$2,400 Budgeted

Which includes the \$400 bimonthly payment from the last meeting.

Chapter Donations (Emergency Situations): \$6,272.36 spent of \$11,000 Budgeted

Unity Events: We have spent \$1,763.39 of \$4,000 Budgeted

World Council: We have spent \$14,000 of the \$14,000 Budgeted

Line items in this category include

World Council Travel- We have spent \$12,000 of the \$12,000 allocated for travel. Which includes \$6,000 to each World Council Member.

World Council Campaign- We have spent \$2,000 of \$2000 allocated for the delegate selected to run for the World Council Alumni position.

4TK: We have spent \$0 of the \$16,000 Budgeted

Since this line item will more than likely be distributed today. The 8 areas that have been budgeted to receive \$2,000 each for their 4TK events include- Wichita, KC, Topeka, McPherson, Hays, Hutch, Great Bend, and Pittsburg.

Conventions: We have spent \$59,384.63 of \$75,000 Budgeted

Line items in this category include

State Convention- We have spent \$35,000 of \$50,000 budgeted. I will mention, there were some Chapters that wrote their convention checks to KOHSA last meeting, which totaled \$1600. That \$1600 was paid out to the Alumni Association that is handling the finances of our state convention. I mention this because that amount will not reflect in our budget.

World Convention- We have spent \$24,384.63 of \$25,000 allocated for. Which includes \$2,025 sent to OHI to cover the balance owed for the World Convention.

Out of State Donations: We have spent \$5,000 of \$10,000 Budgeted

Line items in this category include

Emergency Situations-We have spent \$0 of \$5,000 budgeted.

Natural Disasters- We have spent \$5,000 of \$5,000 budgeted.

We have spent a total of \$101,654.66 of \$148,700 budgeted for the year. Which includes \$4,204.26 allocated out of this years budget at the last state meeting.

That concludes my report. I have given the secretary a copy of my report to add to the minutes. I now would like to ask the State Association to accept the Budget & Finance Report.

I.T. Report

www.oxfordhousekansas.org updates for July, August, September & October 2025 include:

The State Association Meeting Minutes have been formatted and unloaded for your review along with the agenda for the state meetings to the website. Updates have been made to the Contact Page.

I've updated the state convention page on the website, which included the banner the Program for the State Convention.

Still working on page updates to include the PDF's of all of the forms, hope to have that rolled out soon.

The statistical data regarding webpage views and visitors is remaining constant during both of these reporting periods. The website received 9,055 view in July and August, which is up by 395, the two months prior. The website received 9401 views in September and October, which is up 346 views from the two months prior to that. When compared to 2024, our traffic is up 2,920 views during the July and August reporting period and our traffic is up 2,637 views during the September & October reporting periods.

Thank you for allowing me to serve.

The website received 8,660 views, which is up 72 views from the two months previous. However when compared to this same reporting period in 2024, our views were up by 2,699 views.

Alumni East Report

I am happy to say that the Topeka/Lawrence alumni has been growing and seeing more involvement with some strong leadership wanting to stay a part of and involved. Our area alumni sent 3 members to the state convention this year. We are now selling shirts and taking hoodie orders. We are excited to see where this new leadership takes our alumni association.

The Topeka and Lawrence areas have been doing good.

Topeka chapters held multiple Halloween events this year for kids and raised money to help 4tK.

Now the chapters are starting holiday planning for Thanksgiving and Christmas. They have their annual Gratimas coming up and planning on participating and walking in Topeka annual Christmas parade.

Alumni West Report

Seth; October was a great month for the Southwest Oxford House Alumni Association. We hosted our awards gathering and fall fundraiser, and both were a big success. We had strong participation from alumni and house members, and the event helped bring our community even closer. The funds raised will support future activities and resources for our local houses.

We also continued our work with new-member training and house support across Southwest Kansas. Alumni have been checking in with houses, helping guide new members, and offering mentorship to make sure people feel welcomed and supported as they adjust to Oxford House living.

We're proud of the progress made this month and look forward to keeping this momentum going as we continue supporting our houses and strengthening recovery in our region.

Alissa; We are working very hard to get the last of the State convention put together and we are very excited to be able to host again this year.

We are putting together an awards banquet for the Wichita area for December 13th.

Nick; I have continued to see growth in my area. The chapter and alumni association have really worked together to continue to support the members in the area. I am sorry to report we lost a member of the chapter 22 alumni association to unknown medical complications. Travis Meads will be dearly missed and forever in our hearts. With his loss we have seen more people reach out to join the alumni and hopefully stick around and grow with us.

World Council Report

Hello Family,

On the 2nd of November we had our first full business meeting since the world convention. Since this was the first real meeting there was a lot of replication happening and “passing the torch” so to speak from former committee chairs to the new chairs. The meeting started off with a pretty good motivational speech from our World Council chair Cherie. She highlighted 3 key points she would like the council to focus on for the next year.

Strengthening Communication: Ensuring transparency and open dialogue among members.

Enhancing Collaboration: Encouraging cross-functional teamwork.

Focusing on Impact: Aligning our efforts with our mission.

Cherie is already showing us that we made a good choice for chair, she has been attending all our committee zooms and is taking a very hands on approach.

Charter Committee: Has been continually working with houses and chapters to get their charters and helping them with whatever information they may need.

Chapters & Associations: I am the current chair of this committee. We have been working on and have almost completed a short presentation that focuses on getting members to stay longer in oxford house. This presentation will include data from the DePaul studies and it will include common goals for members to set and all the good reasons to stay a little longer and also some common reasons that members move out too soon.

We are looking forward to completing this goal and then focus on finding another goal that will help oxford house.

Engagement: Working on content for the next publication of The Common Good newsletter. Brandie and Jose have also been working on strengthening unity between chapters and associations in their respective areas.

Networking: Discussing their plans for what the committee will be working on moving forward. They have currently been collaborating with OHI and drug courts and treatment centers in Illinois to promote Oxford House within the area.

Technology: Working on reaching out to companies and business to get discounts and free resources on computers and applications for Oxford House.

Environmental: Brainstorming ideas on what areas they should focus on. Currently working on furnace filter/ smoke detector logs for houses to help ensure houses are checking them on a regular basis. I also think they are still working on emergency preparedness ideas for houses.

Alumni: Working on the National Oxford House Alumni conference which is coming up in a few months on valentines weekend right here at the Drury hotel. They are also brainstorming what the 2027 Alumni event will look like.

So unfortunately we have lost our first member since the convention. Brett is no longer with us and Alex from Chicago will be stepping up into his voting position and also his Networking committee chair position. Page from Oklahoma will also be taking on the secretary position in place of Brett.

For my recent World Council travels i was asked to go talk to South Dakota about being a member driven state. I had a phone conversation with their local OHI employee and he had stated that there were only 2 employees for the whole state and he would like us to do a presentation about being member driven and for houses and chapters to not be so reliant on OHI. I asked Alex and Buster to go with me and i think we all thought we did a pretty good job. Unfortunately there was some mis communication or misunderstanding between some of the staff that were present. I had to explain that our presentation was not meant to be anti OHI and explain what exactly we had been asked to talk about. All in all we other wise got pretty good feedback from the local members.

Also i finished the last of the \$6000 the state provided me for my travels and have turned in an accounting of what it was spent on to Buster. Im looking forward to this next year and hope to keep kansas updated on what happens in Oxford House across the nation.

- Vermillion – Keep on helping the struggling addicts
- Nicodemus – Thank you for your service
- Equinox – Keep up the good work
- Libertas – Keep up all the help
- Validus – Thank you Concerns
- Magdalene – Recently restructured, standing firm with chapter support
- Chaparral – Need information about false positives during UAs
- Iris – Request for "multiracial" option in reporting
- Sunset Hills – Rent funding needed, also new beds
- Big Creek – Need charter; monthly report feels excessive
- Midnight – Still waiting on charter from OHI
- October – Scholarships requested
- Fairway – Leadership change; provided new President's contact info
- Layton – New member funding check from COR still pending
- Kiowa – Need help covering new members' move-in fees and EES
- Dagny – House restructured; Radiant members relocated here
- Halina – Beds needed
- Paidia – Need more training for new member replication
- Justus – Ethnicity options exclude Asian
- Halo – UA process needs improvement
- Peace – Landlord not addressing mold issue
- Washburn – Need Narcan
- Chautauqua – Financial assistance requested
- Faith – UA cups needed Action Items
- 1. Charter Delivery – Follow up with OHI regarding missing charters (Big Creek, Midnight).

i. This has been assigned to Nick for follow – up with OHI.

2. Funding Support – Address rent, move-in fees, and pending checks (Sunset Hills, Layton, Kiowa, Chautauqua).
 - i. Layton check was mailed, and it was received after 12 days.
 - ii. Kiowa check was mailed on 10/6/2025
 - iii. Sunset Hills outreach coordinator has been informed of their request for assistance. Once the details of the need are submitted to us, we will address how we can help them.
 - iv. Chautauqua has a sense of humor.
3. Supplies & Resources –
 - a. Beds (Halina, Sunset Hills)
 - i. We will be reaching out to the outreach coordinator in this area to find out if the beds in our storage will help with this request.
 - b. UA cups and clarity on false positives (Chaparral, Faith, Halo)
 - i. Chaparral was contacted and given the protocol for false positive UAs.
 - ii. Faith was out of UAs. Outreach Coordinator from that area picked up monthly UAs to take to Topeka Houses.
 - iii. Halo does not currently buy UAs from FORA. A follow up email was sent asking if they are interested in purchasing UAs from FORA instead of their current supplier.
 - c. Narcan (Washburn)
 - i. 2 boxes of Naloxone were shipped to Washburn last week.
4. Housing Concerns – Mold issue at Peace House (escalate with landlord).
 - i. I have personally been working with Laura to escalate this with Peace's landlord. House may have to move laterally if the landlord doesn't fix the issue.
5. Form & Reporting Improvements –
 - a. Add multiracial and Asian options (Iris, Justus).
 - i. This is being added to Octobers Monthly Report.
 - b. Consider simplifying the monthly reporting process (noted as "excessive" by Big Creek).
 - i. Follow up email sent to explain the reasoning for the monthly report and the importance of the data.
6. Training/Support – Provide replication training materials for new members (Paidia).

i.This is a project that the Outreach Coordinators have been working on. And they plan to roll this out in November.

7. Scholarships & Opportunities – Explore funding options (October).

i.The Outreach coordinator has been informed of their request for assistance. Once the details of the need are submitted to us, we will address how we can help them.

8. Leadership Updates – Document new Fairway House leadership contact info.

i.Information has been updated in our system.

9. Restructure Support – Continue assisting houses through restructuring transitions

(Magdalene, Dagny)

i.Support will continue post restructuring.

Monthly Peer-Led Support Group Series at Friends of Recovery Association (FORA)

This will be called FORG (Friends of Recovery Groups)

Purpose - To propose the establishment of a rotating, weekly peer-led support group series at Friends of Recovery Association (FORA), offering a diverse and inclusive space for individuals and families in recovery. This initiative would provide multiple pathways of support, 12-Step, alternatives to 12-Step, and family support, recognizing the varied needs of our recovery community.

Overview - The proposal is to host one peer-led support group per week, following a monthly rotation model that includes:

Week 1 – 12-Step Group One of the following:

- Alcoholics Anonymous (AA)
- Narcotics Anonymous (NA)
- Dharma Recovery

Week 2 – Alternatives to 12-Step Groups One of the following:

- Women For Sobriety (WFS)
- Celebrate Recovery
- SMART Recovery

Week 3 – Support Groups for Families One of the following, rotating or as needed:

- Al-Anon
- Nar-Anon
- Alateen

Week 4 – Open or Repeating Week

- Optional use as a floating week for:
 - A repeat of any of the above based on demand
 - A guest speaker or workshop
 - A wellness night (e.g., meditation, art therapy, trauma-informed yoga, etc.) This cycle would repeat monthly, providing variety while maintaining a predictable structure.

Facilitation - To maintain consistency and safety in group facilitation, it is requested that:

- One FORA staff member volunteers to attend and run one group per month (not weekly).
 - Each staff volunteer would commit to a minimum term of six (6) months to promote continuity and relationship-building with participants.
- Staff would be the Peer facilitators who would lead the group content, support, oversight, and logistics. Benefits
- Multiple recovery pathways: Increases access to both traditional and alternative forms of support.
- Inclusion of families: Recognizes the role of loved ones in the recovery journey.
- Flexibility: Allows for responsive scheduling based on attendance and interest.
- Empowerment through peer leadership: Encourages community ownership and engagement.
- Low cost, high impact: Utilizes existing community resources and volunteers.

Logistics

- Time & Day: Mondays or Thursdays 7-8pm
- Location: Purple Room or other suitable on-site space
- Start Date: November 2025
- Marketing: Flyers, FORA website, peer networks, community calendars, 211 and United Way

Next Steps

- Approve proposal and assign staff coordinator
- Confirm initial 3-month schedule of groups
- Launch promotional efforts and outreach

Conclusion

This proposal aims to create an ongoing, inclusive support group structure at FORA that reflects the diversity of recovery experiences in our community. Through a rotating model of peer-led groups and minimal staff involvement, we can provide reliable support, increase

community engagement, and empower individuals to sustain their recovery journey. This goes hand and hand with saving ONE life at a time!

Respectfully Submitted,

Stephanie Fillmore

Currently, there isn't much happening on the East side of the state to my knowledge everything

is going pretty well. Just remember its principles before personalities and not personalities before principles. I am seeing a lot of the personalities before principles. It was a pleasure serving for the state I am sure the new officers will do great.

Chapter 4 is doing the most and competing for the “Best house in the Nation” spot!! That entailing standing on principles and remarkable replication. Our Fundraising Committee held a Cornhole & Pickleball Tournament along with a Bake-Off with an amazing turnout! They have also planned a Spades tournament and chili cook-off for the upcoming season. Chapter 4 came full throttle to the Mirror Presentation with 14 members to share their gratitude of Oxford. There are 19 of our members going to represent Chapter 4 at the state Convention! On a sad note, Normandy House chose to leave Chapter 4 stating they want to share their experience with one of the smaller chapters. There was some conflicting opinion on their decision to leave on account of them breaking tradition 5 for 1 member and while expelling the other member involved. There was an emergency chapter meeting held to address the situation as a group and to remind the house of a \$3000.00 debt they had yet to pay back to chapter. That meeting ended with some resistance to allow the house to leave but decided to let them go with grace. Blackfoot has had struggles finding another home due to the landlord wanting to sell the property. This has been in process a few months and chapter went to FORA for help with no results to this point. Our chapter has come together to resolve this issue and are looking for housing for our guys at blackfoot and setting the idea of a new house on the back burner for now. This being my last report to state, I am excited for the upcoming leadership in place to represent Chapter 4.

The fundraiser also put on a pumpkin carving contest for Halloween and new chance facility and brought in \$600. On September 22nd Clementine was Restructured for not being financially self supporting and we as a chapter voted to make it into a men's and children's house. We had 3 seasoned members to help open the house and the house has stepped up and they have every position filled and are excelling. I have came in at the end of a Term, though I can tell you there isn't very much Unity. Last month we started having Chapter Unity events once a month; In hopes of getting people involved and also to get to know each other. We do have one sick house. After ascertaining the nature of the problem, we began with some replication. In a months time, it seems to have only gotten worse. We have started to work closer with the house as a chapter body, to see if there is more that could be done. Other than that the rest of the houses in the Chapter are growing and thriving.

Chapter 12 has had a rocky year, with several key positions turning over two and even three times due to members moving out or struggling with commitment. Despite the challenges, we're holding strong and staying focused on stability as we move toward elections. Our goal is to strengthen unity across the chapter, and we're implementing a new plan for each house to nominate one person for a Chapter position at the start of the year. With these steps in place, we're hopeful and motivated for a stronger, more consistent 2026.

Chapter 13 has had success in the fundraisers and 4th events our committees have planned. Excited for elections next month and the new leadership that is voted in. Our woman's houses numbers have been down which usually happens in the winter but the chapter and houses have rallied around them to help them. It has been a honor to serve chapter 13.

Chapter 14 has stayed busy with service and preparing for the STATE CONVENTION! We are super pumped and happy to report that we have registered 43 Chapter 14 members, and more will be joining as add-ons!

We had our Chapter Unity Day October 19, hosted by Atwood Cove and Icabod Houses. The boys served up Indian Tacos and it was a huge success!

The Topeka Oxford Recovery Fest, on Sept 27th, had a great turn out. There was a lot of service work put in by all 5 chapters to show up and show out for our community. We're looking forward to growing relationships with our community partners. With community support, our members should find a more successful transition back into society, which will only give back to society in a positive manner. It's a win- win for all! It's been a blessing to be involved in closing those gaps and breaking those stigmas one tiny step at a time!

Topeka 4TK's 2nd Nightmare Before Christmas event was a hit! There was a chili feed, costume contest and loads of raffles. We're set to do a Little headcount on December 6th and get those funds allocated to help our Oxford Littles and Patents enjoy the Christmas holidays together. Thank you to all who continue to support our growing Oxford Families!

The next Topeka Oxford House Intra chapter meeting is set for December 1st. This is a wonderful opportunity for all 5 chapters and all 47 Topeka Houses to come together and break bread and share our experiences, as well as get down to business and review general house and democratic process. This next meeting, the panel will be reviewing the Treasurer position in great detail.

We are happy to report that Faith House has successfully endured a lateral move to a new, improved location. Faith House was able to adjust their EES in preparation for the move, and as a result, fully self-financed their moving expenses, which included a significant increase in monthly rent and utilities, as well as low census due to a few renovations that needed to take place in the home to prepare for more members in the near future. GREAT JOB FAITH HOUSE! A HUGE THANK YOU, to all, for the on-going support to provide QUALITY to our existing houses!

Chapter 14 will be holding chapter elections December 15th and I'm super excited to see who will be moving into their newly elected positions! Our current position holders are ready to replicate and keep the unity and integrity of Chapter 14 STRONG. HAPPY AND SAFE HOLIDAYS TO ALL, from Chapter 14!!!

Over the past two months, our chapter has continued to grow, collaborate, and strengthen our presence within the recovery community.

In October, we partnered with Chapter 17 for a Bingo Night & Chili Cook-Off Fundraiser on October 11th. The event was a great success, bringing together members from several Kansas City chapters. We raised \$1,900 to support our houses and chapter activities.

We are currently working with the Kansas City Inter-Chapter to help host the upcoming Oxford Banquet Masquerade Awards Ceremony scheduled for December 27th. Planning is underway, and our chapter is excited to contribute to this event.

Our newest women's house, Oxford House Kiowa, celebrated its official ribbon-cutting ceremony on October 31st. The turnout was outstanding, with roughly 70 community members in attendance, showing strong local support. In addition, we are actively working on opening a new men's house in Lansing, which will help meet the growing needs for safe, supportive recovery housing in that area.

Finally, we were proud to send 6 members to the State Convention, ensuring our chapter was well-represented and able to bring back valuable knowledge, experience, and motivation.

How's our chapter doing-

We have a lot of new members that are becoming active in our chapter trying to pull it back together. There is a light outside the tunnel view that seems to be placed on our chapter. When we had chapter last month not many participated, however, this month's chapter, over 20 people showed up for the meeting. It was a great feeling to see everyone being involved and filling up our chapter body this month.

The chapter is working to become strong, and working towards a rewarding recovery in our chapter

Unfortunately we did lose one house for an unknown reasoning. Seemed like a conflict between that house and another within the chapter. The rest of the houses seem to be doing very well. Couple people moved out on good standing and spaces have been filled quickly and stay full.

Chapter 19, has been fairly quiet. On September 21 we joined with chapter 26 for our unity bowling event. It turned out very well.

In October we celebrated the 4TK

Halloween Event for the kids, which also had a good turnout. We are currently looking for a house for Forte Perfectus. Oxford Washburn house is still learning to thrive within a Chapter.

Chapter 19 also did a shirt sale. Memento Mori. Which turned out fairly nice. Chapter 19 is looking forward to being involved in the Christmas Parade in December. Chapter 19 continues to grow and replicate within.

Oxford House Midnight as chapter HSC as well as other chapter body kept attending their regular house meetings. The cat was let out of the bag, the secrets, the lying, the miss use of medication. It all came to light in one of there house meetings and it was the fastest chapter special meeting called I had ever heard of in approximately 30 to 45 minutes. Soon after a lot of digging and even more deception the chapter body decided to restructure the house. After the restructuring of the house there was only one member living in the house. So the chapter body also decided to have an alumni move in and help replicate and rebuild the membership. With a lot of struggles, this house is heading in the correct directions as a woman's and children's home.

Fort Hays Oxford House had a motion to leave the chapter and the 7-3 msp. With in two weeks their minds have been changed to rejoin the chapter. Now the chapter body has motion to tabled the motion until 12-3-25 for a special meeting.

If I may add when the house made this motion on leaving the chapter I expressed on "how unintelligent this discussion was"!

A long with that said October Oxford house have had the same motion and was also tabled until 12-3-25 for further discussion.

Our chapter is growing and learning. We have been getting more into the manual and trying to get people to learn the manual more. Our houses have been doing pretty well. There are no behavior contracts or houses that have been restructured. We have had a change in a couple of houses in our chapter. Radiant is now a womens house and Astrid is now a mens house. I can speak more on that situation at the meeting to make it make more sense. Other than that though I dont think theres a whole lot to report. Thanks!

Chapter 23 is doing amazing! The unity and way everyone comes together to make things happen is exceptional camaraderie. Our car wash was a success. We thru a Halloween party and had lots of community participation. Reentry has been able to place people in need. We had a lot of houses participate in Recovery festival. Willow park has gotten off to a good start and official a part of 23 n off contract. We have a lot of houses and members attending this years state convention and look forward to having a blast this weekend!! We also have elections coming up this Tuesday at our next chapter meeting!!

The recovery in our chapter is very strong. We are currently working with Rita house to put together our first annual Summer Kickoff kickball tournament. We are looking at having it on June 6th and 7th . It is going to be a fundraiser for the World Convention. We will have vendors at the event and it is going to be held at the 101 club. Oxford House Timber Creek and Willow Creek will be selling T shirts at the State Convention. One of our houses went through a little bit of a rough time with multiple members moving out at once but they are filled up once again and are doing a lot better. We have been having some of our seasoned members going over to help replicate to the members of Willow Creek because almost everyone in the house is new but they are all stepping up and rising to the occasion and are not afraid to reach out for help when they need it

Hello Family,

Chapter 26 is doing well. Our chapter meeting has had a steady increase in attendance with more members within our chapter getting involved all the time. We have welcomed Skyy Oxford house as out most recent member of our chapter.

Oxford House Oryus is doing well and I appreciate all the contributions made to them. They are full and have had a low turnover since opening.

Chapter 26 joined with Chapter 2 in October to put on a trunk or treat activity. Although the weather was not ideal, we had a great turnout from the oxford community and residents of the neighborhood surrounding where we put the event on.

Chapter 26 will be joining with Chapter 2 to put on Gratimas on December 20th at 27th and western in Topeka KS. We look forward to seeing you all there.

Chapter 26 will be sending 29 people to State and are excited to learn and get the opportunity to bring info back to our houses, chapter, and Topeka community.

Thank you,

Derek Teel
